

Homework Timetables 2019-2020 Year 10

Home learning gives students the opportunity to consolidate and extend what they have learned in the Academy. It helps students to:

- ▶ plan their time and develop confidence in learning
- ▶ develop independent learning skills, to use now and in their future life
- ▶ improve retention and recall of key facts in preparation for examinations.

The following is guide of what homework will be given out when and when it is expected to be handed in.

Aim to complete homework during the evening of the day it is set so that if you have any difficulties you have time to ask for help.

If no homework has been set spend 40 mins revising knowledge and skills using the subject 100% sheets. Use your 100% books to do this.
